June 2005

— Meeting Announcement —

**A regular Chapter meeting will be held Thursday, June 9th, 2005 at 7:30pm at the CAP/EAA trailer at Groton-New London Airport.**

There have a number of items to resolve at the meeting and need as many members as possible in attendance. As always please bring a friend, spouse, or significant other.

---

## President's Corner

By Chuck Rowbotham

The Summer season is about ready to kick-off, hopefully the weather knows it is coming! Airshows are beginning, spring cleaning is almost completed and many of us are finalizing our Summer plans. We will be discussing our Chapter's summer plans at this month's meeting, including scheduling our fly-ins, Annual Chapter Picnic, fly-outs, Young Eagle events and hopefully a Fly-Mart for our members. Please plan on attending our June meeting, many items need to be finalized. Not the least of which will be the drawing of the Project Planning software.

I'd like to thank Ted Gordon for hosting last month's meeting at his hanger in Hartford and showing us his beautiful RANS S-6S Coyote. Thanks

I've also noticed that Derek is getting very close to flying and Don Ponciroli is making great progress on his Cozy. Rod Bradley is also making great progress on the restoration of his Renegade. As I mentioned in last month's newsletter anyone who would like to assist Rod please contact him or myself.

Our chapter was well represented at the FAA Safety Fest last month. We gave a seminar on "Panel and Cockpit Design" and a number of our members attended. I also finally gave my presentation on "Panel and Cockpit Design" to the Hartford EAA chapter last month, returning the courtesy of Joe Gauthier's presentation to our Chapter last year.

The following is a short list of June area aviation activities: June 8<sup>th</sup> @ 7pm – FAA Wings Safety seminar at LanMar's new hanger in Groton; June 12<sup>th</sup> – Sanford, Maine airport open house; June 17<sup>th</sup> thru 19<sup>th</sup> – Delaware County Airport Air show (KMIE) (a Dave Shultz air show); June 18<sup>th</sup> & 19<sup>th</sup> – Quonset Point Air show (Blue Angles); June 19<sup>th</sup> thru 25<sup>th</sup> – New England Soaring Championship at Warren, VT and many more (check The Atlantic Flyer for details).

In addition, I like to finalize the timing of a social hour monthly and need all of your inputs. If you can not make the meeting please give me a call @ (860) 739-0488 with your suggestions. We will also be setting the July date for our Chapter's Annual Picnic.

As you can see we have a number of items to resolve at the meeting and need as many members as possible in attendance. As always please bring a friend to our June meeting on (6/9) at 7:30 PM.

Regards,

Chuck Rowbotham, President
